### 5. GOLF RULES

#### 5.1 **Hours of Play**

The hours of play shall be communicated to the membership and are subject to change seasonally. The golf course and practice facility may be closed for general weekly maintenance on such day and during such times as the Director of Grounds and/or Club Operator may determine. The Director of Grounds shall determine whether the course is fit for play when inclement weather presents itself.

#### 5.2 **Tournaments**

The club will sponsor golf activities and tournaments for members, authorized users and guests. Notices of such activities will be posted and communicated to the membership in a timely fashion. Some activities and/or tournaments may warrant closing the golf course during regular business hours. Such closures will be communicated to the membership in an appropriate manner and time. Outside events/outings will be limited to Monday's unless otherwise approved by the Club Operator.

#### 5.3 **Registration**

All players are suggested to register in the golf shop prior to beginning play. Failure to meet your schedule tee time may result in a reassignment of time and/or the professional staff will make a diligent effort to place your group on the course in an appropriate position.

Under no circumstances are players permitted to start play from personal residences.

#### 5.4 **Tee Times**

The Club Operator shall determine and may change, in its discretion, the number of days in advance that each category of members and non-members may reserve tee times, consistent with the priority assigned to each class and category of membership under the Membership Policies.

All players are suggested to have a tee time reserved through the golf shop and all players' names are required for tee time reservations. In an effort to allocate tee times fairly, the golf shop staff may assign tee times on the basis of availability and priority as determined pursuant to a tee time management system instituted by the Club Operator. Tee time changes must be approved by the golf shop. Any person with a reserved tee time should notify the golf shop of any cancellation as soon as possible.

Twosomes should not expect to play through foursomes and should not exert any pressure on the groups ahead of them on the golf course. Twosomes and singles will be grouped with other players, if necessary, with starting times to be determined at the golf shop.

Golf members have the benefit of sponsoring unaccompanied guest play under the following guidelines;

- A) Each member may only sponsor one unaccompanied group per day (4 players).
- B) Only four unaccompanied times are available per day during the stipulated time frames;
  - i) *Tuesday – Thursday from 9:00 a.m. to 11:00 a.m.*
  - ii) *Friday – Sunday from 2:00 p.m. to 3:00 p.m.*
- C) The Director of Golf and/or Head Golf Professional have authorization to allow more or less unaccompanied times than the stipulated parameters

Groups of more than four players are permitted on the golf course but must have approval from the Director of Golf and/or the Head Golf Professional.

#### 5.5 **Golf Attire**

This dress code is mandatory for all players including junior golfers on the golf course and practice facility. Improperly dressed golfers may be required to change before playing.

**Men:** Shirts with collars and sleeves, slacks or golf shorts are considered appropriate attire. Tank tops, T-shirts, cutoffs, sweat pants, jeans or work pants, bathing suits, tennis shorts, or other athletic shorts are not permitted.

Women: Dresses, skirts, slacks, or golf shorts and shirts or blouses are considered appropriate attire. Halter tops, fishnet tops, bathing suits, sweat pants, jeans or work pants, tennis dresses, athletic shorts/pants, or cutoffs are not permitted.

All golfers shall wear golf shoes or other approved shoes on the golf course. Golf shoes with metal spikes are prohibited. Flip flops, large rubber spikes, and field shoes are not permitted.

#### 5.6 **Discontinued Play**

When inclement weather is present, the weather warning system will sound with *One Long Blast* closing the golf course and practice facilities. The system will sound *Three Short Blasts* indicating the golf course and practice facilities are open for play. When weather causes termination of play rainchecks may be issued in the discretion of the Director of Golf or the Head Golf Professional. It will be the sole responsibility of the player to request a raincheck from the pro shop.

#### 5.7 **Practice Facility**

Practice balls are for use on the practice facility only may not be used on the golf course. Each player using the practice facility must use the practice balls provided by the golf shop.

Practice balls must be hit from designated areas only. No hitting is permitted from the rough or sides of the range. Retrieving and replaying balls after they have been hit is not permitted.

#### 5.8 **Lessons**

Lessons by unauthorized professionals are prohibited on the golf course and the practice range. Members wanting to utilize instruction from a “non” Olde Stone golf professional or teaching professional must have consent from the Director of Golf and/or the Head Golf Professional.

#### 5.9 **Handicaps**

Handicaps will be computed under the supervision of the golf shop in accordance with the current USGA Handicap System. A valid USGA approved handicap is required to participate in Club tournaments. The Director of Golf and/or the Head Golf Professional may review any handicaps submitted.

Members are responsible for keeping accurate records of their scores and turning in their scores for all rounds played on a daily basis. Failing to turn in a score shall result in the posting of a score equal to the lowest score on record for such individual. The golf shop shall assist anyone needing help with the

posting procedures. The Golf Professional staff will randomly cross reference the tee sheet for accurate score posting.

The USGA Handicap System is based upon selecting the best 10 scores from the most recent 20 scores posted. The system calculates a handicap through a complex formula based on these 10 scores. The handicap system is designed to give a golfer a handicap that reflects the golfer's potential. A minimum of 5 scores must be posted in order for a golfer to receive a USGA Handicap.

After each round, members must post their adjusted scores using one of the computers located in the Pro Shop, Men's Grill or Tee Room. A golfer **must** post a score when he/she plays an 18-hole round, 13 or more holes, or nine-hole rounds. The official USGA Handicap System also requires that scores be adjusted under the provision of "Equitable Stroke Control." This states that a score for individual holes should be reduced to a specified number of strokes, for handicap purposes only, as follows:

#### **EQUITABLE STROKE CONTROL**

<b>PLAYER'S COURSE HANDICAP</b>	<b>MAXIMUM SCORE ON ANY HOLE</b>
9 or less	Double Bogey
10 through 19	7
20 through 29	8
30 through 39	9
40 or more	10

For example, a player with a USGA Course Handicap of 20 is allowed a maximum score of 8 on any hole. If that player plays a round of golf and scores a 100 for all 18 holes, with three 9's and all the rest of the holes 8 or less, that player shall post 97 in the handicap computer.

All scores during the active season, whether at the golfers home course, or at any other course, must be posted. Away scores must be posted with the USGA Course Rating and USGA Slope Rating, and the scores must be posted as away scores.

#### 5.10 Walking and Other Activities

Players may be permitted to walk the golf course during play only at such times as the golf professional may determine, in its judgment, that walking will not compromise the pace of play, and then only in strict compliance with such rules as the golf professional may establish. All players walking the golf course must keep up with the pace of play so as not to delay players behind them. Players walking the golf course must carry their own clubs, use a pull cart or walking caddy.

Recreational walking (*i.e.*, by persons who are not playing golf), jogging and bicycling is permitted only before tee times begin and must remain on paved paths at all times. Those walking on the course are responsible for their own safety and must yield to maintenance staff and vehicles.

#### 5.11 Forecaddies

All unaccompanied guests are required to use a forecaddie.

#### 5.12 Operation of Golf Cars

Each operator of a golf cart must be at least 16 years of age and have a valid driver's license. Golf carts provided by the Club are not to be used off the golf course except by such Club personnel as the Club Operator or its designee may authorize. No more than two golfers and no more than two sets of clubs are permitted per golf cart. Each person riding in a golf cart provided by the Club will be charged the prevailing golf cart rental fee.

Golf cart operation is restricted to the designated areas of the golf course, designated cart paths, and designated road crossings in the Community. **Golf carts should be driven in the fairway only and not in the rough and/or native grass areas.** Golf carts are not permitted on any tee area of the practice facility. The Director of Grounds may restrict carts (motorized and/or pull) to the cart paths when weather or other conditions create a situation where carts would create damage to the course. At no time shall the operator of a golf cart traverse private property, sensitive landscaping, or pedestrian sidewalks. Golf carts shall be driven in a safe manner. Where possible, do not follow other cart tracks and avoid soft spots in the turf. Violation of the rules for golf carts set forth in this Section may result in the withdrawal of golf cart privileges and playing privileges, in addition to such other sanctions as are authorized under the Membership Policies.

Operation of a golf cart is at the risk of the operator. Cost of repair to a golf cart which is damaged by a member or authorized user shall be charged to the member or designee's Club account or in the case of damage by a guest, to the sponsoring member or designee's account.

### 5.13 Golf Course Etiquette

Players should anticipate the club or clubs they may need and be ready to play when it is their turn. If delayed in making a shot, a player should indicate to another player to proceed (which shall not be considered playing out of turn).

Personal music players may be used while on the golf course. Music is not to be played at the practice facilities, around the club house or on the 1<sup>st</sup> / 10<sup>th</sup> tees unless using personal ear buds.

Playing music, unless with personal ear buds, is only allowed with the permission of all playing partners.

When playing music, the volume rule of thumb is: If you can hear the music when you are away from your cart, then it is too loud.

When approaching a green, players should park their golf carts on the cart path adjacent to the green.

Players should carefully rake bunkers after use. Players who create divots should fill them level with the ground using the soil mix provided on each golf cart. Players who create ball marks on putting surfaces should repair their mark prior to leaving the green.

Players should be aware of and maintain proper pace of play. If unable to maintain the pace of play, the players behind should be allowed to play through.

### 5.14 Rules of Play

The Rules of Golf as adopted by the USGA together with the Rules of Etiquette as adopted by the USGA shall be the rules of the Club, except when modified by local rules or by any of the rules herein.

Practice is not allowed on the golf course. The practice facility and the practice putting greens should be used for all practice. "Cutting-in" is not permitted at any time.

Speed of play will be strictly enforced. If a player or group fails to keep its place on the course and falls behind the preceding group by more than one hole, the player or group must allow the following group to play through. The same must be done when a member of the group stops to search for a lost ball. No more than five minutes should be used to search for lost balls. If a player is repeatedly warned for slow play, the Club Operator or its designees may take such action as it deems appropriate, including without limitation, restricting the person's use of the golf course during certain times of the day.

All players who stop for any reason after playing nine holes must occupy the next tee before the following group arrives at the next tee or they shall lose their position on the golf course and must get permission from golf professional to resume play.

Unless otherwise permitted by the Director of Golf and/or the Head Golf Professional, each player must have his or her own golf bag and set of golf clubs.

All players shall enter and leave bunkers at the nearest level point to the green and smooth sand over with a rake upon leaving.

Play may begin only from the first (1<sup>st</sup>) or tenth (10<sup>th</sup>) tees, except during tournaments and special events, as directed by the golf professional staff.

If lightning is in the area, all play shall cease. **Players are responsible for their own safety. The weather system will sound One Long Blast to close the course and Three Short Blasts re-open the course.**

No beverage coolers are permitted on the course unless provided by the Club.

## 6. TENNIS RULES

### 6.1 Hours of Play

Courts may be closed when necessary for maintenance, special events, and when the staff deems it necessary due to safety considerations or adverse weather conditions.
